P-3

```c
#include <stdio.h>
int main()
{
    int i,j,n;
    int count=1;
    printf ("Row no");
    scanf ("%d", &n);
    printf ("The series is\n");
    for (i=1; i<=n; i++)
    {
        for(j=1; j<=n; j++)
        {
            printf ("%d", count++);
        }
        printf ("\n");
    }
}
```
